

Forbidden...

Why is it so wrong to love?!

Von kleines_punkrockgirl

My heart is beating like a **traitor**,
When I'm **near you**!
I close **my eyes** at night,
And all I can see is **your beautiful face**!

But I should be **strong**!
These feelings are **no good**!
These feelings are **wrong**!
Although they are too **deep** to stop them...

I wanna...

Feel *you close to me,*
Hold *you in my arms,*
Hear *you breathing slowly,*

Petting *your soft skin,*
Kissing *those deep red lips...*

This song...
The atmosphere...
The look in your eyes...
Everything fits...

However I can't **touch** you,
Cause I know it's **forbidden**!
