

Senseless ... Meaningless

Von kleines_punkrockgirl

Your voice makes me **wonder**,
If we're right with **all this.....**

My body feels **numb**,
My blood is rushing **through my veins...**

It's just **another ly**,
Just **another hurt...**

Senseless ... Meaningless ...

What does this life offer **anymore?**
We lost our **sense of life...**

The never ending stream of life **went on**,
Just the both of us **are left...**

What went **wrong?**

Did we got too far?
Did we trust too much?
Did we give up ourselves?

I donno ...

I know at least **nothing...**
And nothing matters, **does it?!**

So **life just became...**

Senseless ... Meaningless ...

But we're **not alone**,
We have **each other...**

Two people apart from **the rest of the world**,

Just linked with **their hurted feelings...**
