Kapitel 1: Nobody want's to be me

nobody want's to be me

i'm disgusting , a bitch , a slut ,selfsenterd...

Hate rules digg the forbidden

only love myself

i'm revolting

Don't look too bad

act real sweet

looking for adventures

lost too much sleep

hurt those i love 'cause i don't wanna lose.

hurt myself won't let anyone to close at me...

i'm weak...

nobody want's to be me

i'm disgusting , a bitch , a slut ,selfsenterd...

Hate rules digg the forbidden

only love myself

i'm revolting

got friends & familie

but who needs that when they're better off alone?

i hurt myself by hurting them

~~i hate myself~~

i hate that i'm still alive

how can someone love that?

don't it hurt to see how easily i break

& that i'd love to die?

nobody want's to be me

i'm disgusting , a bitch , a slut ,selfsenterd...

Hate rules digg the forbidden

only love myself
i'm revolting

but who knows...
maybe i'm not all bad ~~can i hope?~~
thanks for hoping with me
thank you for holding on to me
& thank you for loveing me
i guess i'll fight for your sake...
