### Kapitel 9: Anderes

I woke up in the night  
I looked for my mother  
But there was no light  
It was just too dark  
To see her  
So I moved through the darkness  
But I didn't find her  
And it was cold  
No sun to warm my skin  
I'm alone in a freezing dark

I woke up in the dark  
I looked for my father  
But there was no light  
It was just too dark  
To see anyone  
So I moved through the darkness  
But I didn't find anyone  
And it was cold  
No full moon for an illusion of illumination  
I'm alone in a freezing dark

I woke up somewhere  
I looked for my friends  
But there was no light  
It was just too dark  
To see anything  
So I moved through the dark  
But I found nothing  
And it was cold  
No stars shone their icy light on me  
I'm alone in a freezing dark nothing
