I'm riding, I'm riding to the Grey havens.

I'm riding away from all that I knew, from all I wanted ... why ... just why am I doing this?

I don't even understand it myself, and still ... I do.

I don't want to see, go through, all the things my ada saw.

I can't do that ... I can't ... and still...

I will never see him laugh again, will never see him looking into my eyes with all of his love...

I can't, I can't ride away from you ... and still I do.

Oh, why can't somebody take away this decision.

But you have, he, adar, has, I realise.

You both have ...

Then I see something out of the corner of my eyes.

I see a boy which is running to ... you, to you melethron.

I see how you sweep him up, smiling at each other.

I see the evening star, which is hanging around the boys neck.

I see the evening star, which I gave to you out of love, as a promise.

I see my love for you hanging around the boys neck.

I see our love hanging around our sons neck.

I see our son.

I see all what could be...

And as I see this, I know what I have to do.

And as I see this, I remember that I have given you my love ... a promise.

A promise that is mine to fullfil.

So I'm turning around.

So I'm riding back.

To you my love.

To my promise.
To my future, which I fear no more, which I'm ready to face.
For I have made my decision,
The decision of love.

Hope you liked it, I know it is nothing special, but it just kept to come to my mind
everytime I saw this scene.
