## Without...

I am surrounded by shadows like a tree at a late day of winter.  
The beings pass by me as exanimate shadows.  
The smile in their face is only a mask to conceal the truth.  
You were the only one who I believed in, when I saw in your nightblue eyes.  
All act so lifeless and cold, but with you I felt heat and defense.  
I shouted your name, but you didn't answer.  
I was waiting for you so a long time, but now I know you are dead,  
'cause you didn't come.  
Suddenly you stand in front of me and look at me with a smile on your lips.  
You hug me, still it's only an illusion - like the life!
