The Cramps Start Acting Up Again

Zu den <himmelsgleichen> Tönen von "Larger then life" von den Backstreet Boys
gesungen (Mir war langweilig,also bitte keine Morddrohungen oder sowas *gg*)
Gesungen von Darth Maul

I may grab my saber
When the Jedi attack, alright.
And I'll let you know now
That they will not win, alright.
But all of the battles,
Make my muscles tight-----

chorus

All these cramps can't you see, can't you see
Are driving me absolutely crazy
Every time I see,
A Jedi swipe at me,
The cramps just start acting up again.

Lookin' at the Jedi,
I feel like a God, oh yeah.
Cos' when I strike em' down
My master's goin' with them, oh yeah.
But all of these battles,
Get to my back-----

chorus

All these cramps can't you see, can't you see
Are driving me absolutely crazy
Every time I see,
A Jedi swipe at me,
The cramps start acting up again.

All of these battles----get to my back-----

Instrumental

chorus

All these cramps can't you see, can't you see
Are driving me absolutely crazy
Every time I see,
A Jedi swipe at me,
The cramps start acting up again.

Yeah, cramps are killin' me,
Yeah, just like Kenobi,
Yeah, I wish my master could see-----

chorus

All these cramps can't you see, can't you see
Are driving me absolutely crazy
Every time I see,
A Jedi swipe at me,
The cramps start acting up again.
