## Kapitel 1: 'Sleeping Awake (Dreaming of my Own)' by AshSkY

Dreaming of my own, awake, sleeping awake.  
Dreaming of my own, awake, sleeping awake.  
Dreaming of my own, awake, can't stop sleeping awake.  
Dreaming of my own, sleeping....

I see myself,  
in my dreams.  
I could touch me,  
if i were real.  
I can see myself,  
in my dreams,  
I can't change them,  
these f\*\*king dreams.

The endlessly gray is running in the air.  
The sleepy chill is constantly deep inside.  
My Dreams are not meant to be shown.  
But still, i see them, while sleeping Awake....

Dreaming of my own, awake, sleeping awake.  
Dreaming of my own, awake, sleeping awake.  
Dreaming of my own, awake, can't stop sleeping awake.  
Dreaming of my own, sleeping....

I see myself,  
while i walk in my dreams.  
Like a invisible ghost,  
like the soul of the death,  
Like a shadow in the wind,  
like a Wind of he Death.

Guns are shouting with their loud voice...

Tears are running down with their empty sober....

Dreaming of my own, awake, sleeping awake.

Dreaming of my own, awake, sleeping awake.

Dreaming of my own, awake, can't stop sleeping awake.

Dreaming of my own, sleeping....
