## Kapitel 29: 'This Statement' by AshSkY

It's this state,  
wishing I am blind,  
just hoping that I,  
will, survive !  
It's this state,  
in which i pretend,  
the pain will never ever end!  
But it's the feelings  
that make me think,  
there is always a hope,  
which will start again !

> Nothing is the fate.  
> The hope may never die.  
> These sharp feelings in my heart,  
> they make me wanna cry.  
> But I will withstand,  
> whatever it may take.  
> It's this statement which  
> makes me wake up again!

Night after night,  
the defense stood up again.  
Day after day,  
the defense fall down once again.  
No one believed,  
but it's what it is.  
Like tears can be sharp,  
the wind can be perfect again.

> Nothing is the fate.  
> The hope may never die.  
> These sharp feelings in my heart,  
> they make me wanna cry.

> But I will withstand,  
> whatever it may take.  
> It's this statement which  
> makes me wake up again!

They can't stop us,  
they shouldn't even try.  
We'll fall for our princess,  
for this person,  
we'd even take our pride.  
It's this statement,  
which makes her believe,  
we won't lose,  
we will stay and the end is our  
luck tonight.

> Nothing is the fate.  
> The hope may never die.  
> These sharp feelings in my heart,  
> they make me wanna cry.  
> But I will withstand,  
> whatever it may take.  
> It's this statement which  
> makes me wake up again!
