

Inside your dream

Kapitel 1: The End - Apocalypse

The sun is dying.
I know it
But I can't see anything of it,
Because it flames fade away
Behind dark clouds.

Where is the feeling?
Where is the light?
Where can I get
My thoughts and hopes back?
My thoughts of rest, my hopes for freedom?

My heart is broken
And I see the nightmare in your eyes
That is hunting me down.

Once I had it all,
all that I always dreamed of.
My light shone for you
And all the others.
But now it is gone.
My light is gone
Like you,
Killed by what I can't describe.
You are already gone
And left me here
On this dying earth.

I don't know,
Can the other people
Feel what I feel?
Can they see what I see?
If they can,
Why should they ignore this mess?

The sun burns,
The sky is bleeding.

What should I do?
What should I say?

Can I reach the dark clouds above me
Hoping to see some light?
Can I run away to another place
Where I will find some rest?
In the middle of the end of the world ...
