

Inside your dream

Von Gayagrod

Kapitel 3: Tears of Joy

I sat there and smiled
And thought about the things that went wrong

I sat there and then I cried
I cried silent tears

I walked along the street
And couldn't forget the last time I spoke to you

I walked and thought about different things
That went wrong
That went wrong

I looked up into the sky
And saw the stars burning bright

I looked up and smiled
I looked up and cried

I cried tears of joy

A/N: Dieses Gedicht handelt von jemandem, der das Ende einer unglücklichen Liebesbeziehung betrauert. Er oder sie ist zuerst unglücklich darüber, aber am Ende gewinnt das Gefühl, von einer Last befreit worden zu sein, die Oberhand.
