## Kapitel 1: Murderer

One question i don't want to ask you,  
over your feelings to me  
I don't know why i can't ask you  
But I love you that is what I know, but why?

Can't you see my pain?!  
This feeling makes me disturbing crazy and mad  
This feeling makes me disturbing crazy and mad  
Its feel like i'm burning in hell

The last two weeks you came everyday to late  
And not only five minutes  
You came everyday four hours later as the days before  
And you just say that you was by a friend

Can't you see my pain?!  
This feeling makes me disturbing crazy and mad  
This feeling makes me disturbing crazy and mad  
Its feel like I'm burning in hell

But now I have enough and the devil come out  
Like a monster I broke your bones  
And let you feel the pain that you have bring to me  
And I see your dead body and I just want to kill my self

Can't you see my pain  
This feeling makes me disturbing crazy and mad  
This feeling makes me disturbing crazy and mad  
Its feel like I'm burning in hell

And I cry  
I don't know what  
I done this to you  
Then I just love you and then I found your diary

And read it and it make my hate much bigger  
I´am your murderer and i want to kill him

Can´t you see my pain  
This feeling makes me disturbing crazy and mad  
This feeling makes me disturbing crazy and mad  
Its feel like I´m burning in hell

I write a letter for your friends and family  
That you was a good girl and who had kill you  
And I call the police and use a rope to end my life  
And you wake me with a kiss and a birthday present  
This was the reason why you coming later  
Then you just love me
