Yeah, if Itachi-san would **ever** sing ... I know, i know. But it was fun to do. XD

(Original Song: Katy Perry: "I Kissed a Girl")

I Killed the Clan

This was exactly what I planned
My true intention
I got so sick, sword in hand
Lost my discretion

It's not what
I'm used to
Just wanna try it out
I'm curious for this
Can feel the tension.

I killed the clan and I liked it
Made use of skill and tactics
I killed the clan just to try it
Hope my soul's health won't mind it

It felt so wrong
It felt so right
You'd think I'm full of hate tonight
I killed the clan and I liked it
I liked it

Now you will loathe my very name

It doesn't matter
You're my experimental game
Just human nature

It's not what
Good boys do
Not how they should behave
Your mind is
not quite sane
and quick to break

Tsukuyomi oh so magical
A jutsu irresistible
Tormenting thoughts so touchable
Too real to deny them
Ain't no big deal, it's just your head

I killed the clan and I liked it
Made use of skill and tactics
I killed the clan just to try it
Hope my soul's health won't mind it

It felt so wrong
It felt so right
You'd think I'm full of hate tonight
I killed the clan and I liked it
I liked it
