Remembering Rye

It's a chase of cat and mouse,
a clash of red and black.
A game between life and death.
It's a game lost.

Young warriors heart -
stopped by a nocs bullet,
fired with guilt and remorse.
Ordered by a predatory crow,
smiling in the dark.

News flash:
Dead man found in burned car.

A shocked cry.
Then, silence.

A plain phone.
Taking lives, sealing fates.
Conspiracy theories coming to life?

Denying the facts,
no matter how clearly they speak.
Cries of anguish
taking over a swinging soul.

Bureau wrapped in black.
Young agent, sitting in the dark.
Shedding silent tears, mourning a lost love.

Hope's lost.
The rotten apples' smile is sad.
The silver bullets are running low.
And the crows seem to take over.

The darkness is coming.
Crows are ascending into heaven.
Blood was shed,
a warrior was lost.
For nothing, but false hope.

It'll be remembered.
The warrior's death at Raiha falls.
