YOU!!!!...how could you be so cruel to me!?!? OK I thank everybody that mailed me or wrote a review, that was REEEAAALLLY nice of you!!! Thanks, thanks, THANKS, I love you all!!!! \*throwing sweets at the audience\*

BUT, and thats the cruel thing here, it will still be my desicion for the pairing... well, you told me that Wufei won't be alone and that he won't get together with Zechs... but the votes for 1x2x5 and 5xS are EQUAL!!! What means I have to decide... and i came to a desicion...\*evil laugh\* I won't tell you!!

I will make this a bit interesting (I hope it will work ^\_^) there will be hints for BOTH pairings all over the story but you have to wait for the end of it to find out who will get Wufei... \*insane laugh\*  
We'll see how this will work... ..

Oh, and they will be preventers...

Anyway, have fun with this chappy!!! (And don't forget to tell me what you think, 'k?)

Healing-time

Part 2

\*\*\*

After telling Quatre and Trowa about Heero condition Wufei went to Duo's room. He knocked and silently went in.

"Maxwell?"

He heard some rustling and the boy on the bed looked up at him with tired eyes.

"What's up Wu?"

"Oh nothing... I just wanted to tell you that Heero was awake..."

Duo's eyes widened and a broad grin spread across his face. With one fast movement he jumped out of the bed and stood in front of the chinese boy, hugging him.

"Thanks Wu!"

And the next second he was out of the room.  
Wufei shouted after him.

"I said he WAS awake Maxwell! He needs to rest, don't wake him up again!"

"Don't worry Wu, I won't!"

He just could shook his head about the braided whirlwind. Walking back into the livingroom, grabbing his keys on the way he just shouted his goodbye to Trowa and left the house.

"I'm going to the headquarters. Sally wanted to be informed when Heero is awake."

Trowa looked after him until he was out of the door.

"Hmm... he just could have called her..."

He shrugged to himself and went back to reading his book.

Meanwhile Duo had arrived in front of Heero's room. He took a deep breath to calm himself down and knocked softly at the door. After a second he heard a silent 'come in' and opened it.

Inside Quatre sat in a chair next to Heero with a newspaper in his hands. He looked up at Duo and smiled.

"Hi Q, how is he?"

"He's sleeping again, but I think he's fine... well, as fine as he can be in his condition."

Duo walked up to the bed and sat down at Heero's side, looking down at Heero.

"He looks so peaceful when he's asleep..."

Duo pushed a few strands out of Heero's face and suddenly looked in one clear cobalt blue eye.

"Hey there sleepyhead, back with the living?"

Duo had a soft smile on his lips and they sat there just looking at each other until they heard some rustling. Both looked up at Quatre, who folded his newspaper and walked to the door.

"I'll let you two alone. I'm going to make dinner... call me if you need something."

He closed the door behind himself and left the two youths alone in the room.
