Gothic Boy (Barbie Girl by Aqua)

(in stead of happy voice monotone singing by Seb & Christian, two characters from my Dojinshi 'Little Gothic Boy')

-Hi Seb.
-Hi Christian.
-You wanna go for a walk?
-Sure, man.
-Freak out.
-Ha.Ha.Ha.

-I'm a Gothic Boy. It's a gothic joy.
Life in darkness, it's a sadness.
You can paint my face and give me an embrace.
In this nation, life is a frustration.

-Come on Seb, let's go to bed. - Ha?

//Ref://
-I'm a bleech black-haired guy, but I don't wanna die.
Dress me up, style my hair, I'm a poser.
-You're my man, EBM, feel the music and pain.
Let us wave, let us stomp, let's go ****.

-You can dance, you can fake.
But I'm sorry, I like girls. Uoh Uoh.

//Ref://
-Come on, Seb, let's go to bed. - Ha. Ha. Ha. No.
-Come on Seb, let's go to bed. - Uoh. Uoh!
-Come on, Seb, let's go to bed. - Ha. Ha. Ha. No.

-Come on Seb, let's go to bed. - Uoh. Uoh!

-Make me laugh, make me cry, or just leave me alone.

I can act like a star, I can ___ and moan.

-Come freak out, be my friend, let us do it again.

Looking cool, foll around, let's go ****.

-You can dance, you can fake.

But I'm sorry, I like girls. Uoh Uoh.

You can dance, you can fake.

But I'm sorry, I like girls. Uoh Uoh.

-Oh, I'm having so much fun *ironic*

-Well Seb, Gothics don't have fun.

-Oh shut up.
